Welcome to Celebrity Cheer - Season 3!

Thank you for your interest in our allstar cheerleading program! Please read this informational packet in its entirety and reach out if there are any further questions.

Our full year seasons run from **June - late April**, sometimes year end events will run into early May.

Our Core Values

Celebrity Cheer promotes a positive environment while pushing every athlete to be the best version of themselves. We train athletes of all ages to not only be the best, but to also learn the meaning of team work, dedication, commitment, hard work, and persevering no matter the circumstance. We are a family ran allstar cheerleading gym, and pride ourselves on a "family" environment. The Celebrity Cheer family is the best!

Who are we? Celebrity!

Celebrity Cheer came to life in 2020, and we are entering our third season. In these 2 years, we have won numerous national championships and specialty titles. We are a D2 program, and have grown

tremendously since we first began. We strive to be an affordable allstar cheerleading program. This means that we provide monthly fundraisers and sponsorships to help cover the fees. We believe everyone should have the opportunity to cheer, no matter their financial situation. Celebrity Cheer occupies an 8,000 sq. foot fully equipped cheer gym. We continuously win "best fans", the support and family environment that we have created is something we are proud of.

Allstar cheerleading is a **huge** time and financial commitment.
Practices and competitions are **mandatory**.

Teams and levels are not yet known for the upcoming season. We will form the strongest teams based off of stunting and tumbling skills following evaluation days.

Team Placement Process/Evaluation Day

On May 21 + May 22, we will begin the process for team placement for the 2022-2023 cheer season. Broken down by age, we will go over jumps, tumbling and stunting skills. We offer teams for all skill levels and will not turn anyone away based off of inexperience. This is a low pressure situation, no need to be nervous.

Please stay tuned for more information regarding call back nights.

We will have both elite and prep level full year teams. Teams are first evaluated by age, and then skill level. We also take into consideration stunting positions (base, back spot, flyer).

Our athletes (not our Tiny Stars) will have another call back night the following week to get the chance to work together as a group before final team selections are made.

If you are unable to attend evaluations please contact us for a private evaluation.

***Please know that just because you have a certain tumbling skill does **not** mean that you are qualified to be on a certain level team. We take into consideration: maturity, all around skill set, positive attitudes/work ethic, and potential stunting position. ** All decisions made are for the strongest teams possible.*

No team placement is final, we reserve the right to change any team placement at any time through out the season.

LEVEL	STANDING TUMBLING	RUNNING TUMBLING	STUNTS
1/1.1	Back/front walkovers	Cartwheel into BWO series	Below prep level and prep level braced stunts
2/2.2	Standing back handspring, BWO back handspring	Running pass to back handspring	Prep level body positions, inversions to extensions, half ups
3	Standing backhandspring series (2/3)	Round off tuck	Prep level body positions (more advanced), full ups
4	Standing tuck, backhandspring tuck	Running pass to layout	

Tiny Stars

Our **Tiny Stars** team is a full year team for ages 3-6. This team will practice 1 day a week for 1.5 hours beginning in June and ending in April. During this time, they work on a routine, cheer skills and tumbling. They will attend one competition a month, usually beginning in November.

If your child is aged 5+ they may not be placed on the tiny stars team, this is based off maturity and skill level. They may instead placed on a higher level team.

- Practice Wear Fee (optional, due by 6/15/22)
- White cheer sneakers (Nfinity brand)

Competition fees are the responsibility of each parent, and are due per athlete.**

These competition fees are NOT included in your monthly tuition.

These costs will be due the month before the competition.

Example: NOVEMBER competition fees will be due October 1. December competition fees are due November 1. We will provide you with a competition list, specific costs and their due dates closer to August (when most competitions are released by). These will be due by the first of each month or your athlete will not be able to attend the scheduled event.

The first competition fee will be due October 1 and then will run monthly.

These numbers may look pricey, we are going to be breaking them down into monthly payments so it doesn't hit all at once.

We begin competing in November.

If choosing to be a double teamer, you will also be responsible for the crossover competition fee as well (typically cheaper for the crossover fee)

For example, November competitions: *just an example*
 November 15: Local competition \$8 per athlete
 November 23: Cheer and Dance Extreme \$85 an athlete
 Due by October 1st would be \$93 in competition fees

We plan to attend 1-3 competitions per month, 1-3 national competitions for the season, 1 Varsity or larger IEP event per month and hope to have a great end of the season event for this upcoming season. We do plan to strive to attend a year end event at Walt Disney World for all of our full year and prep year teams.

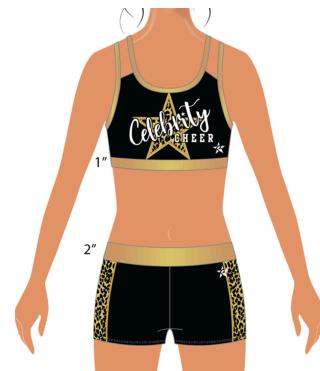

This is all TBD depending on what bid is earned, we may consider other options as well.

Full competition schedule will be made available as soon as Varsity/IEP companies release it, hoping for August. No competition schedule is ever final, and no competition fees are refundable. If a competition would be cancelled, we would take the fees that were paid and put it towards another event.

Tuition is due the first of each month. **After the 3rd of each month, any unpaid accounts will not be able to participate at practice or competitions.**

Payment methods accepted: check, cash, Venmo (@celebritycheerallstars - sent as family and friends) or credit/debit card.

If paying anything by credit card on the parent portal or in person, there will be a 3% convenience fee added to each transaction.

Mandatory fundraiser

Mandatory Fundraiser: R&K Subs, or the buyout. \$50.00 worth in profit

This will run June 1 - 20. Delivery date: June 30, 2022

If doing fundraiser, you *must* sell 28 items to cover the \$50 profit amount

If you do not sell the required number of items you can pay the difference still owed.

Discounts & Ways to Help Pay

SIBLING DISCOUNT \$15 off per sibling for monthly tuition. Must reside in the same household.

PAY IN FULL FOR TUITION: If choosing to pay in full for your tuition, you will receive 1 free month of tuition. Total is \$1200. You would still owe for competition fees but do save \$120.00

FUNDRAISING is made available every month and will directly benefit your account to help with the fees. Fundraising credits can go towards: monthly tuition, competition fees or private lessons ONLY. The fundraising credits earned will be split (10% to gym, 90% to athlete account).

The 10% that goes towards the gym helps to cover fundraiser pick up, paper printing, and shipping fees associated with fundraisers. You are also allowed to do personal fundraisers if you do not include "Celebrity Cheer" in the fundraiser.

LOYALTY DISCOUNT: When you have completed 2 seasons with Celebrity Cheer, we offer \$20 off of your monthly tuition per athlete. This means if you were with us in Season 1, you qualify for this year's loyalty discount. This is not good with any other offer (can't also get sibling discount).

SPONSOR: You are not required to get a sponsor, but lots of families do have luck obtaining them. Sponsor forms will be located the front desk. Sponsors credit is split with the gym: 20% towards the gym and 80% to your personal cheer account.

Practice Schedule

Practices are always **mandatory**.

We require a doctors note for every absence that is not excused.

3 missed unexcused practices and we reserve the right to remove your athlete from the program. We ask for any vacation days prior to the start of the season. These are due to us by June 1, we will not accept them after that date. During the summer months we practice weeknights only. When school begins we usually do 1 weeknight/1 weekend day (Sunday).

The following chart is an example of a typical practice schedule, we reserve the right to add additional practices if need be.

TINY STARS	TINY/MINI PREP, NOVICE TEAMS	FULL YEAR TEAMS
1 day a week/1.5 hours	2 days a week, 3 hours	2 days a week, 4-5 hours
Compete locally, within 1-2 hours travel	Compete locally, and out of state within 1-2 hours travel	Compete locally and out of state. Will have 1-3 competitions that may require overnight stay

Other Important Information

CHOREOGRAPHY/CAMP: These camp days are mandatory. These are typically 2 days in length and can happen on a week day. We will give your teams specific choreography dates as soon as the teams are created. We do a lot of our own in house choreography or in other cases will have an outside company come in. These are full length (usually 8 hour) days and we use this time to build and complete our routine. These happen in July and August.

QUITTERS FEE: Applies to our junior/senior teams. If you are to leave the program or removed from the program for any reason **after your team's choreography dates**, there is a quitters fee of \$350. This will be due immediately after leaving the program and covers the cost of the choreographer making the required changes to the routine after an athlete leaves the program. All parents are required to sign a financial agreement acknowledging this fee.

CROSSOVER: Your athlete may choose to be a “double teamer” formerly considered a crossover. We always ask if your child is willing to be a crossover on eval day upon joining, and we take that into (continued) consideration when we place the teams. Being a crossover increases your monthly tuition by \$20.00 as well as doubles your practice nights/time in the gym. This means extra practices (as you are on two teams), and extra competition fees (sometimes are cheaper for crossovers but not always). We do encourage double teaming as it allows them to grow as an athlete but also overall helps the team.

PARENT/COACH COMMUNICATION: We have a program Facebook group for important information, but we mainly use the BAND App to communication for each specific team. We will give you a team specific code/group when teams are formed.

HANDBOOK: All parents and athletes are required to read and sign an electronic handbook once committing to their teams. We encourage you to go over these policies with your athlete as well.

HALF YEAR TEAMS:

We do also offer a half year team that is a lower commitment, and we will also be introducing a “tiny tot” exhibition team for 2-4 year olds. These will both begin in January 2023.

We follow all USASF age grids. See the following chart as a guide for next season's ages.

Ages	Birth Years	
3-6 years old	2015 - 2019	Tiny Novice R
5-6 years old	2015 - 2017	Tiny Prep/Elite
6-8 years old	2013 - 2016	Mini
6-11 years old	2010 - 2016	Youth
7-15 years old	2006 - 2015	Junior
10-18 years old	6/1/2003 - 2012	Senior

FACILITY: We are the proud owners of an 8,000 square foot cheer facility. We have two full size spring floors, a rod floor, a Tumbl Trak, and everything needed to advance in tumbling and stunting.

STAFF: All staff at Celebrity Cheer is USASF safe sport certified and trained. We take your children's safety very seriously and only house the best coaches.
