## >>>YOU BELONG HERE

At Celebrity Cheer, we are proud to be celebrating our 6th year of providing competitive allstar cheerleading. As one of the top cheerleading programs in Central Pennsylvania and the leading gym in York County, we are committed to fostering a positive environment where every athlete is encouraged to reach their full potential. Our training focuses on developing athletes of all ages, not only in their athletic skills but also in the core values of teamwork, dedication, commitment, hard work, and perseverance, regardless of the challenges they may face. As a family ran gym, we take great pride in cultivating a supportive, family-oriented atmosphere. The Celebrity Cheer "family" is truly the best!

## WHO ARE WE?! CELEBRITY!

Celebrity Cheer was founded in 2020 and has rapidly evolved into a nationally recognized program. In just five years, we have earned numerous national champion titles, first-place titles, and specialty awards. What started as a small, two-team program has now grown into one of Central Pennsylvania's premier cheerleading programs, concluding last season with 11 teams and nearly 120 full-year athletes. Our reputation as a fierce competitor extends nationwide.

We offer teams for all skill levels and ages, ranging from 3 to 18 years old. Our fifth season has been our most successful to date, with 7 bids to the D2 Summit and Youth Summit for every Summit-eligible team, including two prestigious paid bids. Our accomplishments this season include earning D2 Summit bids, paid Regional Summit bids, US Finals Golden Tickets, three time Cheersport Grand National Champions, NCA Champions and multiple national titles. Additionally, we are consistently awarded "Best Fans," making it clear when Celebrity Cheer is in the building. We have been awarded by Varsity staff the "Pass the Mat" award for great sportsmanship on and off the mat.

In the 2024- 2025 season, we have secured more PAID bids, Summit bids, and championship titles than any other program locally.

Celebrity Cheer operates out of a state-of-the-art, 8,000 square-foot facility fully equipped for elite cheerleading training. With a team of experienced coaches and staff, we are committed to helping each athlete reach their highest potential. We invite you to continue growing with us as we continue our journey as we celebrate all of our teams, no matter the skill level or age.

## FINANCIAL AND TIME COMMITMENT

Our full year season begins in the first week of June and concludes in the last week of April. For D2 Summit eligible teams, end-of-season events may extend into early May.

Practices and competitions are mandatory, and we enforce a strict attendance policy to ensure the success of our teams. Allstar cheerleading requires you to be fully invested. This information packet serves as a comprehensive beginners guide to outline both the time and financial commitments required for participation in our program.

If you have any further questions after reviewing the packet, please feel free to contact us via email.

## >>> THE TRY OUT PROCESS

### **Registration will open online April 1, 2025.**

Following online registration, we encourage you to attend our try out clinic and open gym leading up to evaluation day.

On evaluation day, parents will have paperwork that is required to be filled out before your athlete comes into the gym. We will have tables set up outside of the building's entrance to fill out the required paperwork.

### **April 1 - May 20 - Online Registration**

Register your athlete(s) for the upcoming evaluation day.

### **May 18 - Try Out Clinic (\$20 per athlete)**

Athletes are encouraged to attend. We will work on all skills required to be shown on evaluation day, as well as learn a short dance that will be performed on evaluation day.

### **May 19 - Open House + Open Gym (\$15 per athlete), 6:30 - 8:00 PM**

Staff will be on site to answer any questions you may have.

### **May 20 - Evaluation Day, Birth years 2018 - 2022, 6:00 - 7:30 PM**

We are taking a special evening to focus on this age group so we can properly place. We may require your athlete to come back on callback day.

### **May 21 + 22 - Evaluation Days, Birth years 2017 - 6/1/2006**

Attendance both evenings is strongly recommended. Evening one will be more of an individual skills night, while evening two is more of a group/stunting evening. Following evening two, your athlete will leave with a call back time for Sunday, May 25. Times will be announced soon.

### **May 25 - Call Back Day**

Attendance is required. This is the final opportunity we have to work with your athlete before we officially place teams.

### **May 26 - Team Placements**

Team placements will be emailed by 6:00 PM. This will include your new team(s) name, practice evening and BAND app link.

### **June 2 - First practices for Season 6 begin!**

## >>> EVALUATION/TEAM PLACEMENT DAYS

Evaluation day is scheduled for May 20, May 21 and May 22, 2025. Upon the completion of evaluation days, athletes will be given a time for a call back for Sunday, May 25. The tiny novice team will not require a call back.

This is an opportunity for us to get to know your athlete(s) and see what they are capable of. We do not call this process “tryouts” as everyone is placed on a team. We do not “cut” anyone who has the desire and drive to grow as a competitive athlete! Everyone is placed on a team. We welcome anyone who is able to accept constructive criticism, work hard and strive for greatness.

During eval days, athletes show their skills that they have developed and demonstrate a potential to learn new skills. Athletes are given numerous opportunities to show skills. Eval evening one will be spent warming up and working on personal skills. Evening two will be an opportunity for us to work as groups and focus on stunting skills.

If trying out as a flyer, we will ask to see body positions at time of evaluation.

### The Team Placement Process:

- Teams are first placed by age, and then skill level.
- Athletes are placed at a level in which they will **thrive**. We see every athlete's value and what they are able to contribute to their team.
- Elite teams are expected to hit the elite skills with perfection, and have all the necessary elite skills before “leveling up”. For example, Suzy can throw a standing tuck, but she cannot stunt level 4, and cannot tumble to elite counts. Suzy is not ready for a higher level yet.
- Following call backs, our staff assembles rosters for the upcoming season. There are many things considered when placing athletes and forming teams. Athlete's all around **individual skills, stunting position, experience, age, maturity, and what would form the most competitive and successful teams**. After rosters are written out, each family is emailed with their new team placement.

**\*\*NO TEAM PLACEMENT IS FINAL. Celebrity Cheer reserves the right to change any team placement at any time throughout the season for any reason. If an athlete progresses or regresses from when they were originally placed, the gym reserves the right to move an athlete to a team that is more appropriate for their skill set.\*\***

We do not know the teams/levels we will have at this current time for Season 6, but we do expect a great turn out for all age groups.

TEAM PLACEMENT is based off of birth year. See the following age grid on USASF.

[https://www.usasf.net/files/USASF\\_Cheer\\_Age\\_Grid\\_25-26.pdf](https://www.usasf.net/files/USASF_Cheer_Age_Grid_25-26.pdf)

*Just because you are age eligible for a certain age group/level does not mean you will be placed there.*

## ELITE TUMBLING SKILLS CHART BY LEVEL

Don't have any of the listed skills below? We offer teams for any and all skill levels and will not turn anyone away based on inexperience.

This skills list changes annually as the score sheets are updated and modified. Elite team tumblers should be able to show perfect execution of the listed skills and be able to tumble

ON TIME to elite counts. To qualify for a level, you should have mostly everything inside of these elite level skills chart.

Tumbling is not the only thing we look at when placing a team - every position is valuable.

**>>> COMPETITION SCHEDULE:** Celebrity Cheer focuses on Varsity events. Not all teams attend the same competitions.

Hotels are sometimes required (stay to play), however, we do try to steer clear of those events as much as possible.

We have to wait for Varsity to release the competition schedule and fees. Full competition schedule will be made available in August.

No competition schedule is ever final, and no competition fees are refundable. We try our best to stick to the schedule once it comes out, but things can change. The competition schedule can change at any point in the season, and competitions may be added or removed. Competition schedule changes may be due to unforeseen circumstances such as lack of preparation due to athlete attendance or injury, venue change, a change in the event date, etc.

If you have any questions regarding competitions or competition costs, please do not hesitate to ask.

Celebrity does try to stay in an affordable range. Competitions are usually a full day or weekend event and all athletes must stay for awards ceremonies.

## >>>> TIME COMMITMENT

TEAM LEVEL + EXPLANATION We place teams with every athlete's best interest in mind.	PRACTICE SCHEDULE	COMPETITION SCHEDULE To begin in November	YEAR END EVENT GOAL

They are the most competitive athletes and are usually very experienced. <b>Tiny Novice Teams</b>	1 hour, 1 time a week Additional practice time as needed	3 competitions, 1 big year end event Travel required: 1-3 hours drive time	Year end event

**>>>CROSSOVERS:** At the start of the season, we will ask for your interest in being a crossover. A crossover is also referred to as a double teamer, so being placed on TWO teams.

We do consider it an honor to be a crossover - not all athletes are up for this challenge. This does mean additional practices and competition fees for your crossover athlete.

Sometimes competition fees are discounted for the second performance, but not always. Not all athletes will be chosen to crossover, regardless of the interest. 100% commitment is required for both teams at all times.

## >>> Tiny Novice Program

Our tiny program runs from June - April. This tiny novice team trains athletes ages 3 - 7. Our tiny friends are taught basic cheerleading and tumbling foundation skills, motor and coordination skills, as well as the definition of teamwork. This is a great stepping stone for our small but mighty growing athletes that will one day venture into more advanced skills and teams. We have a great balance of work and play put into the practices. Potential athletes must be potty trained.

It is important to note that we have multiple teams for tiny age athletes. We offer tiny novice, tiny prep, tiny elite and mini novice. We place athletes based on age, maturity and skill level. If we believe your is ready to level up, they could make a different team. If you are not interested in your tiny aged athlete "leveling up", you may also tell us that as well.

Practice commitment: These teams practice **1 day a week, for 1 hour**.

This age level also must comply with our attendance policy, as all practices and competitions are mandatory.

The tiny athletes build great friendships while working hard and having fun.

This team has all inclusive pricing, meaning that all competitions are included in their monthly fee except for their year end event. The year end event is an additional cost.

We do a choreography camp in August where they will start to learn their routine.

Included in their monthly tuition is their practice time, competition fees (except for big year end event), music fees, and choreography fees.

**AGE REQUIREMENT: Must be 3 by May 1, 2025.**

Practice Wear Set - OPTIONAL FOR TINY STARS	\$150	Due 6/15/25
---	-------	-------------

>>>> **SUMMER PRACTICE** schedule consists of typically weekdays only. Our schedule then changes mid-August at the start of school to include 1 weekend day, and 1 weekday for most teams (does not apply to all teams). \* Subject to change based off of the number of teams/demand\* Sometimes additional practices are required, typically around competition days. These are mandatory, and we give our best to give you as much notice as possible.

>>> **ATTENDANCE POLICY:** We have a very strict attendance policy as this is a team sport and everyone is valuable. When we are missing even one athlete, everyone feels the absence as we are not able to get things done without everyone in attendance. **We have a “3 unexcused” rule, after three unexcused absences, you may be removed from the program.** Excused practices require a doctor's note or proof of a school graded activity. Practices the week of competitions are mandatory - if you miss for **any** reason at all, your athlete is not able to compete. Competitions are mandatory - this should go without saying. Failure to attend a competition would result in immediate removal from the program.

>>> **VACATION DATES:** If you have a planned summer vacation, we ask for those dates by June 1 to make those “excused” practice dates. We ask that you limit these to SUMMER vacations, as we have noticed families abusing this. Adding in additional days for your family to have off over different holidays is not what this is for. **These vacation dates are not excused the week of a competition, over a competition, or during choreography. Choreography dates are mandatory no matter the reason, or your athlete will be removed from their team.**

The gym is closed the week of July 1 - 8 to all team practices and tumbling. We are not school affiliated and do not follow any school closings, delays or cancellations.

**Gym closed dates:**

July 1 - 8, 2025 (Summer break)  
September 1, 2025 (Labor Day)  
November 27, 2025 (Thanksgiving Day)  
December 21 - December 27, 2025 (Christmas week)  
December 31, 2025 (New Years Eve)  
January 1, 2026 (New Years Day)  
April 5, 2026 (Easter)

>>>>**CHOREOGRAPHY OR “CAMP” DAYS:** Each team will have choreography or “camp” day(s). These typically happen on weekdays, so it's important to plan for transportation. We will have these dates for you when you receive team placement. These typically happen in mid-July to early August. Most teams will meet 1-3, 6-8 hour days to learn their routine. Sometimes we bring in outside choreographers, but we also utilize our staff who are very talented in choreography. We do a lot of our own in-house choreography. We recommend not planning other activities on these days as we need the athletes to be physically and mentally present. Some elite teams may have multiple choreography days.

>>> **STUNT CAMP:** Certain teams will be expected to attend a mandatory stunt camp. This is sometimes taught by an outside instructor, or is also sometimes taught by our knowledgeable staff.

# CELEBRITY CHEER

[www.celebritycheerpa.com](http://www.celebritycheerpa.com)

>>> **QUITTERS FEE:** Applies to all prep and elite teams. If you are to leave the program or removed from the program for any reason **after your team's choreography dates**, there is a quitters fee of \$350. This will be due immediately after leaving the program and covers the cost of the choreographer making the required changes to the routine after an athlete leaves the program. All parents are required to sign a financial agreement acknowledging this fee.

>>> **OTHER SPORTS:** We do not limit our athletes from participating in other sports or events, however, our program must come first. We do not allow athletes to miss practice, camps or competitions because of other activities.

>>> **PARENT/COACH COMMUNICATION:** We have a program Facebook group for important information, but we mainly use the BAND App to communicate for each specific team's information. We will give you a team specific code/group when teams are formed. We ask that all communication is kept on the BAND app.

>>> **HANDBOOK:** All parents and athletes are required to read and sign a handbook once committing to their teams. We encourage you to go over these policies with your athlete. This will include gym rules and regulations.

>>> **PRACTICEWEAR:** We encourage athletes to wear Celebrity apparel or colors to practice. Athletic wear, sports bras are required, hair must be up and out of the face. No jewelry or long nails. There is no reproduction of the Celebrity Cheer name or logo allowed without prior permission from us first. We will require mandatory practice wear on certain days (not every day).

>>> **TUMBLING:** Tumbling is not included in an athlete's monthly tuition cost. We do offer discounted tumbling class pricing for all registered athletes, at \$15 a class. We also offer private lessons with multiple instructors throughout the week. At practice we mainly focus on routine based tumbling skills. If you want to continue to build skills and level up, tumbling classes or privates are the way to learn.

>>> **STAFF:** We have an extremely knowledgeable USASF certified coaching staff. Coaches are assigned to teams, but ultimately we all work together to make the dream work.

>>> **COMMITMENT:** Ultimately, Celebrity Cheer is a big time and financial commitment, but above all, it's a commitment to be your best self and the best teammate you can be. The summer months are long and hot, but competition season/winter seems like it goes by so quickly. Celebrity Cheer is not only a cheerleading program, but a family, and we hope that you leave each season with *memories to cherish forever*.
